

# Timber-framer and natural builder Sarah Highland of Ithaca, NY, will give a slide show of her work

on Wednesday, October 12 at 5:30 p.m. sharp at the stone church  
on Main Street, Brattleboro, across from the Savings and Loan

Sarah Highland has built a number of houses and structures in the Ithaca area,  
and has taught straw-clay at events such as Natural Building Colloquia and Timberframers Guild Conferences.

She is a co-founder of the natural building group in Ithaca that inspired  
the creation of the Brattleboro Area Natural-building Group (BANG).
